

LAKWOOD CHEDER & BAIS FAIGA SCHOOLS  
PRESENT

A decorative bridge with ornate metal railings spans across a pond. The scene is captured at sunset, with a warm, golden glow illuminating the sky and reflecting on the water. The bridge's arch and railings are silhouetted against the bright light. The overall mood is serene and nostalgic.

BRIDGING A GLORIOUS PAST  
WITH A PROMISING FUTURE

---

VIRTUAL AUCTION • MARCH 4, 2025

# LINKS

The water stretches for miles  
A vast ocean looms ahead  
The traveler seeks refuge  
A piece of land is a mere speck in the distance  
Where to turn?  
How to continue?  
Squinting, he spots a bridge  
Spanning the deep void below  
At last, he has discovered a connection  
The missing dimension  
That will bridge the gap for him to continue

Our Rebbeim and Moros stand at the helm of the class  
Ready to instill  
Prepared to impact  
Powerful lessons  
Meaningful לימודים  
Reaching each תלמידה and תלמיד  
Imbuing them with warmth and התלהבות  
On the home front, the parents invest  
They put endless hours into the חינוך of each child

Implanting  
Cultivating  
Going above and beyond to ensure a proper upbringing  
A stellar environment for each child to blossom and grow

The path of childhood seems long  
Overwhelming  
Daunting  
Educating a child takes immense effort  
Yet when the school and home work together  
The parents and teachers collaborate  
Bringing out the qualities in each individual  
The space between home and school disappears  
The gap is bridged  
Each child is given the maximum ability to thrive  
To succeed  
To reach the greatest heights  
Under the care and concern of devoted parents  
At their nurturing home  
Alongside the Rebbeim and Moros  
At The Lakewood Cheder and Bais Faiga  
Bridging the gap... Reaping the rewards
